सूत्र / Total

HE - 20% superficial to deep burn
over BI buttocks,
genitalia, perineum over
inner thighs. @ leg,
Small patch over @ leg.

HE - 20% superficial to deep burn
over BI buttocks,
genitalia, perineum over
inner thighs. @ leg,
Small patch over @ leg.

Assis - 20% scald burn @ genital burn

Aquaed dressing done

Admit in BICU + BPS unit II.

Poor prognosis consent

I have been explained about pt condition (20% scald burn @ genital burn) and the need for admission and associated risks and complications including infection, persistent raw area, need for surgical procedures, risk to life in a language that I understand and I give my full and valid consent for admission to me and shall not hold hosp responsible for any untoward complications
